

# Spring Semester begins Jan. 11!

*Questions? We have answers.*

## **Week 1 (Jan. 11 - 15)** — *all classes via remote learning*

Students will access all classes remotely to learn how the class will be taught throughout the semester and get started. ***It is important that all students access their classes and engage with their instructors that week.***

## **Monday, Jan. 18** — *campus closed for MLK Jr. Day*

## **Week 2 (Jan. 19 - 23)** — *classes meet in person*

Our plan is to start in person classes on Tuesday, Jan. 19. We will follow the same protocols concerning masks, limited number of students in classes, and cleaning to keep everyone safe.

***Check your SCCC email for updates!***
