**Positions Hiring For:** The Oklahoma Highway Patrol is hiring dedicated individuals to join our team as Oklahoma State Troopers! As a Trooper, you will play a crucial role in ensuring public safety by enforcing state laws, responding to emergencies, conducting highway patrols, and assisting motorists. Troopers also investigate crashes, combat criminal activity, and serve their communities with integrity and professionalism. If you're looking for a rewarding career with great benefits and the opportunity to make a difference, apply today and become part of the OHP family!

**About the Business:** The Oklahoma Highway Patrol has a rich heritage of proudly protecting Oklahomans since 1937. Governor E.W. Marland convinced the state legislature to create the Oklahoma Highway Patrol that year. A few dedicated troopers with little training and bare-bones equipment hit state highways and made an immediate impact. Today, the Oklahoma Highway Patrol is one of the most modern state police agencies in the nation. Using the latest in technology, the OHP continues to protect and serve the citizens of Oklahoma. The majority of the members are assigned to the thirteen field Troops, A through M and the turnpike Troops, X and Y. These field troopers are responsible for patrolling Oklahoma's 111,994 miles of city, county, and state-maintained roads and highways. Field troopers are first responders to emergency situations from collisions to natural disasters and civil disorders. Troopers provide everyday service to the public, whether it be a

motorist assist or promoting Oklahoma to a visitor in the state. Troopers are prepared and willing to assist any law enforcement agency when asked and perceptive to take the initiative to offer assistance when needed.

**About the Business:** The Dodge City Cooperation Exchange, Inc. was formed in 1914 in Dodge City, Kansas. The first facility was one purchased that year consisting of a wood grain elevator and coal bins. From this humble beginning through mergers, acquisitions and expansion the Coop today has 15 grain facilities with attached businesses and two stand alone agronomy locations, an ACE Hardware store and ownership in a multitude of other ventures. Employing more than 120 full-time employees with a payroll in excess of \$6 million the company is a major area employer providing many vital services to the communities it serves. Grain, feed, agronomy, farm supply, energy, hardware and car care are major service areas. Unique among Cooperatives is our governance which allows for the election of all of our directors each year representing the membership. Currently, we have seven elected directors and two associate directors who are appointed by elected directors.

The growth of the Cooperative now encompasses what were 11 different Cooperatives that have joined together over the years. Included are facilities with 18 million bushels of storage for grains, a grain shuttle loader / unloader, a dry fertilizer facility with 24,000 tons of capacity and numerous other enterprises. Our members have invested more than \$45 million in local assets and have additional investments of \$5 million. Having 5,500 members and more than 2,000 voting members, we have one of the largest memberships in Kansas.
